Week 9 Meeting Minutes 5.4

Location: Online via Zoom

Date & Time: 04/05/2024 3:00 - 5:00 pm

Chair: ZIhan Peng

Minutes Taker: Zihan Peng

Attendees: Zihan, Zhenhao, Yuchen, Renjun

Absentees: None

Agenda Items

1. Task progress check

Each team member provides updated information on the tasks assigned to them. Zhenhao has completed the basic functions of the web page, and now the website can run and store data. Zihan completed the css of some web pages.

2. Project content testing

The team reviewed the progress of the testing phase. A test plan has been implemented and preliminary testing is underway. Performance testing needs to be scheduled.

3. Suggestions for Iteration 1

The team discussed feedback and suggestions from Iteration 1. Positive feedback on user interface design. It is recommended to incorporate more features and css in the next iteration.

Additional Information:

The chairperson and minutes taker for next team meeting will be Zihan

Reminder:

All members agree to move forward according to the established iteration plan. And complete their assigned tasks before the next meeting.
